Sermon Title: “Sowing and Reaping Part II” - Randy Hood

Scripture Reference: Gal 5:22-23

Connect: Grow together

- 1- How has God shown up this week in your life?
- 2- What can you be thankful for this week? With the distraction of COVID-19, how can we still seek gratitude?
- 3- How are you doing on your spiritual or personal growth? Did you gain any ground last week?

Deeper: Beyond the message

- 1- What was the main point of the message this week? How would you say it?
- 2- What stood out to you?
- 3- What did the message say about you, God’s people or the world?
- 4- How does this message apply in your life?

Application and Challenge

- 1- Are you okay? Perhaps someone in the group lost a job this week, was laid off, is dealing with an entirely new situation. How can you pray for one another?
- 2- Where is fear and anxiety showing up in your life? How can you trust the Spirit during this time?
- 3- Is your faith getting stronger during large waves? (Like the Lighthouse)
- 4- How are your neighbors and family? How can you show Jesus to those directly around you more?
- 5- Read Galatians 6:8-9. How are you sowing for the Spirit and how are you keeping from growing weary?
