Application and Challenge

- 1- Are you okay? Perhaps someone in the group lost a job this week, was laid off, is dealing with an entirely new situation. How can you pray for one another?
- 2- Are there any needs in your group that can be addressed collectively?
- 3- Take communion as a group, family, or individual. See Jeff’s sermon ending to go through communion.
- 4- How are your neighbors and family? How can you show Jesus to those directly around you more?
- 5- How are you staying connected right now? What behaviors are present that are helping you stay in community and connected to God?
