**Application and Challenge**

- 1- Read James 1:16-18 Where do good things come from? What does that mean in your life?
- 2- Read 2nd Chronicles 7:14 How are we supposed to live to glorify God and what does He tell us He will do?
- 3- Read Psalm 23 as a group and/or individually, pray through the 23rd Psalm. How can we as followers of Christ lean into the Father more?
- 4- With the distractions of the world, which are always there, how can we as a church and you as an individual remain in healthy community?
