**Deeper: Beyond the message**

- 1- What was the main point of the message this week? How would you say it?
- 2- What stood out to you?
- 3- What did the message say about you, God’s people or the world?
- 4- How does this message apply in your life?

**Application and Challenge**

1- Read James 4:1-10 Has quarreling showed up in your life recently with the complexities of the world? Mask/No Mask? Politics? Economy? Covid? Schools?

2- Read Mathew 18:15-17 Is there any conflict that you need to resolve with a fellow Christian? If you’re offended, you need to take the first step.

3- Where are your desires? How can you continue to move away from worldly desires and more towards desiring God?

4- Brian discusses the idea of purification and how there’s usually “heat” or discomfort involved in the process. Where are you letting God continually work in your life towards becoming more purified? Where are you “uncomfortable”?
