

Sermon Title: “When God’s Plan Collides with My Plan”
Part II- Randy Hood 12/8/19

Scripture Reference: Luke 2:1-7

Connect: Grow together

- 1- How has God shown up this week in your life?
- 2- What can you be thankful for this week? Any stressors?
- 3- How are you doing on your spiritual or personal growth? Did you gain any ground last week?

Deeper: Beyond the message

- 1- What was the main point of the message? How would you say it?
- 2- What stood out to you?
- 3- What did the message say about you, God’s people or the world?
- 4- How does this message apply in your life?

Application and Challenge

- 1- Read Luke 2:1-7. What would it be like to have to go back to your ancestral roots? Why was the decree important to the Christmas story?
- 2- What would be some complexities in biblical times (or even today) with miraculous conception? Why is virgin birth important to the Christmas story?
- 3- What does it mean for Jesus to have been fully God and fully man?
- 4- Have you or do you feel abandoned by God? How is God’s plan for your life different than your preference? (The spirit provided the baby but no room at the inn?)
- 5- Are you walking with God? If you look behind you can you see how God has worked in and through your life?
