

**Sermon Title:** “Money is Not the Root of All Evil” - Ryan McClelland  
**Scripture Reference:** Matthew 19:6-22

---

**Connect: Grow together**

- 1- How has God shown up this week in your life?
- 2- What can you be thankful for this week? Any stressors?
- 3- How are you doing on your spiritual or personal growth? Did you gain any ground last week?

**Deeper: Beyond the message**

- 1- What was the main point of the message this week? How would you say it?
- 2- What stood out to you?
- 3- What did the message say about you, God’s people or the world?
- 4- How does this message apply in your life?

**Application and Challenge**

- 1- Are you rich? Why or why not? What are the things to be “rich” in?
- 2- Why is money so important to us? (Seemingly all cultures and all of history?)
- 3- How does money dangerously substitute Jesus for our security and significance?
- 4- *Read 1st Tim 6:6-10* What are the issues and evils with the love of money?
- 5- *Read 1st Tim 6:17-19* What are the commands to the rich, and how do they apply to you? (Why “take hold of the life that is truly life.”)
